Description

The Portofino 53 can be considered an Offshore Cruiser whose range is well known to be right for not just speed and cruising but also has the right compromise of outside space and the interior which is really well designed and therefore can be lived in.

The hard top on the MKII is also really practical, which allows one to use the cockpit area when the sun is too hot or in case of rain. White hull with blue band and boot top line. Engines are the robust MAN 800 that at the moment only have 730 hours. If you need any further info, do not hesitate to contact us

Accommodation

The 53 Portofino is the perfect compromise between day boat and long-cruise vessel. Her superb cockpit space makes her ideal to enjoy life on board while at anchor and her size and robustness makes long journeys an easy job. At stern a large hydraulic operated door makes the garage accessible for up to 3,25 meters long tenders. Above the garage there is large sunbathing area and the cockpit includes spacious seating area and comfortable pilot and co-pilot seatings. The most important feature of the cockpit is the opening hard top that provides shade and fresh air on hot days.

She has got a white hull with blue band and waterline. The cockpit is fitted with teak and white upholstery. The interior layout consists of 3 cabins and two heads- with a master cabin forward with double bed and ensuite. The starboard cabin with bunk beds and the port cabin with a full double bed complete the accommodation for up to six guests. The interior is designed with satin cherry wood which has been completely refurbished recently, cream carpet and cream leather upholstery.
