## Description

This is a stunning example of Sunseeker's highly successful Predator 57. Fitted with the larger twin Volvo D13 900hp diesel engine option on shafts, combined with a proportional bow & stern thruster.

A full Mediterranean specification including, reverse-cycle air conditioning, stern docking winches & additional mooring cleats, underwater lights, premium Simrad navigation upgrade package, upgraded AV system, hydraulic passerelle and much more.

Sumptuous interior cabinetry in satin black American walnut, cream leather sofas and walnut flooring throughout, this example has been meticulously maintained, recently surveyed and is now stock of the Sunseeker London Group and ready for her new owner.

Available to view 7 days a week by prior arrangement, worldwide delivery can be arranged, please ask for further information. A full walk-thru video and additional imagery are available by request.

## Accommodation

### 6 Berths in 3 Cabins Plus Single Crew

## Your Dedicated Broker

Having worked in his family's yachting business since 1996, Denis has acquired step-by-step experience in the industry with the help of his father, employees and colleagues. Believing in an honest and friendly, but respectful relationship with his customers, it is this approach that Denis employs as Sales Manager for Sunseeker Ibiza, part of Sunseeker Spain.

Sunseeker Ibiza's priority is delivering great service, which helps Denis to understand what the customer needs and what he can offer his clients. Denis is proud of the work his team carries out, without whom he says, "it would be impossible to deliver the service we intend to".

Denis is from Belgium, but was born in Ibiza, a very famous island from people all over the world. Thanks to his language skills – he speaks fluent Spanish, French, English, German and Italian – he is able to attend all his clients in their mother tongue. One of the keys to his success.
